Warehousing & Distribution

We've recently ventured into the world of Warehousing and Distribution for the convenience of our customers and in order to offer services all under one roof. Apart from providing warehousing of normal warehouses as well as Customs Bonded Warehouses, we also undertake temperature-controlled warehousing for our Customs dealing in Wine and Liquors, which require temperature control.

Vista Logistics Private Limited extends these services to various overseas locations with the help and assistance from our partners.

SOC Container & NVOCC

We are well-equipped to handle Shipper's Own Containers (SOCs), as we have managed to form a healthy rapport with liners as well as leasing companies from whom we purchase well-maintained cargo worthy containers, which make it convenient for our customers to ship the cargo where terms are SOC movements. Our cordial relation with liners allows us to buy good freight for shipment of these SOCs from around the world.

We, at **Vista Logistics Private Limited**, use our own fleet of containers for cargo movement in the form of a Non Vessel Operating Container Carriers or NVOCCs. These services offered by us are mainly targetted in all over india.
